

Wolfeboro Public Library Board of Trustees
Building Committee Minutes
June 8, 2018

Attending: Roger Murray, Joyce Davis, Nancy Ghirardini, Barbara Widmer, Doug Smith, Candace Thayer, Cindy Scott, Kathy Barnard, Tom Madden, Eric LeBlanc, Ron Lamarre and Inger Woerheide

Candy called the meeting to order at 9:00 am. Kathy made a motion to accept the minutes of the last meeting. Doug seconded and the motion passed.

Discussion of the children's area included:

- Bins
- The possibility of a circulation desk in the children's area. Something for the future.
- Wall color/s - neutral with accent colors on selected areas
- Picture rail system for display
- Slat wall
- Bench seating, furniture or custom built-ins similar to bleachers. Ron suggested modular cubes.

Electrical wiring - There will be a temporary arrangement during construction. The permanent plan is still under discussion. There will be no overhead wires.

Cindy requested automatic door openers on a handicapped accessible restroom.

Ron reiterated that all of the interior columns will be boxed so not exposed.

Ron described the necessity of a structural change in the form of moment braces. They will be added to the North wall. It was decided to leave them exposed because their visibility will be mitigated by vegetation. All of the columns on the outside of the building will be boxed in brick.

There was discussion about the set of doors at either end of the porch, and the set in the vestibule. It was decided that double doors for all openings would be best for traffic. A removable mullion will be added between the porch doors. The mullion affords better security and creates a better weather seal. The inside vestibule doors will be double, automatic, sliding doors.

The town of Wolfeboro has vetoed the committee's site for an outdoor book drop. The new plan is for the drop-off box to be located across the driveway opposite the library entrance.

Cindy brought up the need for a sign identifying the library. Ron suggested that the existing letters could be attached to the building. He will come to the next meeting with some ideas for a free standing sign and location. Ron will also bring more paint samples. A warm off-white was suggested for the walls and white for the trim. Baseboard trim will be blue.

The next meeting will be on Tuesday June 19 at 2:30 pm.

Nancy made a motion to adjourn. Candy seconded. The meeting was adjourned at 11:20 am.

Respectfully submitted by
Inger Woerheide
