

Subject: **Library News Update March 27, 2020**

New Hampshire is the latest state to issue a stay-at-home order and close all nonessential businesses amidst the coronavirus outbreak. Gov. Chris Sununu announced this order on Thursday, March 26.

This order will impact some Library services. **Effective Friday, March 27 at 3pm, we will no longer offer curbside pickup of library materials.** While this service has been extremely popular, it is in the best interests of both the staff and the public to suspend this practice. **For the time being, staff will still be working and available to answer your questions and help in any way we can.** Please call 603-569-2428 or send an email to joyce.davis@wolfeboropubliclibrary.org

Please visit our website at www.wolfeborolibrary.org where you can download audiobooks and eBooks, search the catalog, access a variety of databases and information, and explore new links to exciting educational and recreational websites for children.

The Library will remain closed to the public until further notice and all programs are cancelled until further notice. **The book drop is also closed; please hold on to any library materials until we reopen.** Due dates will be extended, no fines will accrue during this closure.

Stay safe, be well.

Cindy Scott,
Library Director
