

**Wolfeboro Public Library**  
**1000 Books Before**  
**Kindergarten Program**

**Did you know that reading to your child is one of the most powerful ways to boost his or her brain power?**

The simple and enjoyable act of sharing books helps your child learn pre-reading skills such as understanding the sounds letters make, developing vocabulary, and building background knowledge—all important skills that help prepare your child for learning to read and entering kindergarten.

**Getting Started:**

- **Register** - Sign up at the library.
- **Track Your Reading** - Fill in a circle on the tracking sheet. Tracking sheets can be picked up at the library and come with your starter kit.
- **Every Book Counts** - Make sure you log every book, even if you read the same story multiple times. As long as your child listens to the entire book, it counts!
- **100-Book Milestones** - Each time you read 100 books, visit the library to receive a sticker for your card and a new tracking sheet.

One thousand books may seem like a lot, but if you **read just one book a night, you'll meet your goal in less than 3 years!**

**If you read three books a night, you could reach your goal in just one year!**
