

Wolfeboro Public Library Invasive Species RFP – Nov 30,2021

To Licensed Invasive Species Management Contractors,

The Wolfeboro Public Library is seeking bids to suppress invasive plant species on the library property. The first phase of the invasive species management is to be undertaken during December 2021, if possible, baring snow fall. A subsequent suppression phase will occur during 2022. Contractors performing this work must be State of NH licensed commercial herbicide applicators and properly insured. Contactors must follow invasive species suppression best practices throughout this project.

Contractors should review the plot plan (attached) which locates and identifies invasive species on the library property. The Proposed Invasive Species Management Plan is a guide and is not mandatory. Bids may be for a fixed price or for time and material with a Not To Exceed cap. Contractors should present any input or advice to make the removal of the invasives more successful.

Additional questions may be addressed to the Library Trustee's Landscape Committee via email to librarydirector@wolfeboropubliclibrary.org .

Sealed bid proposals are to be addressed to Wolfeboro Town Finance Department, 84 South Main Street, PO Box 629, Wolfeboro, NH 03894, and will be accepted until 2:00 PM on Wednesday December 8th, 2021.

The Town of Wolfeboro reserves the right to reject any and all bids, to waive technical or legal deficiencies, and to accept any bid that it deems to be in the best interest of the Town.
