Fund Raising separate from the Building Campaign will be held for landscaping, rain gardens, wetlands gardens and the trail to the Town Gardens. There are also grants that can be written to the Trustees of the Trust Fund for landscaping/beautification.

The subcommittee decided not to use bathrooms, computers, the entry porch, lobby, circulation desk, storage rooms and the business center as naming opportunities. Another tier will be developed listing needed items that people can sponsor, such as:

- Refinishing the original (Town Hall Library) circulation desk for the Children's Library
- Furnishings
- Shelving
- Computer equipment
- Display cases
- Tables and stackable chairs for the multipurpose rooms
- Outdoors furniture
 - Benches
 - Bike racks
 - Tables and chairs
- Office and work room furniture

Respectfully submitted,

Candace Thayer
