

Wolfeboro Public Library
Building Committee
Naming Opportunities Subcommittee
Minutes
October 16, 2015

Attending: Joyce Davis, Cindy Scott, Pat McLaughlin

The group met to review the selected naming opportunities as the middle sized conference room was not included in the original list. The current list, which was approved by the Library Board of Trustees includes:

Children's Library	\$500,000
Multipurpose Room seating 125	\$250,000
Adult Area	\$100,000
Local History/Quiet Study	\$100,000
Small Multipurpose Room seating 4-6	\$ 25,000
Young Adult Area	\$ 25,000

After discussion it was decided to recommend taking out the word "small" from the multipurpose room seating 4-6 and to add the Conference Room for \$100,000 to the list.

Further discussion ensued on the process of giving and dealing with future changes to a building that is being designed to be flexible. We will look into possible contract for donors that will explain options and who gets to make the final decision on any issues that might arise.

The meeting adjourned at 2:30 pm.
Respectfully submitted,
Cynthia L. Scott
